NO PLANNING BOARD MEETING
FOR January 2013

January 3, 2013

To: Duplin County Planning Board Members
From: Randall G. Tyndall , County Planner
Re: January 8, 2013 scheduled Planning Board meeting

The Planning Board was scheduled to meet on January 8, 2013 at 7:00 p.m. at the County Commissioners Meeting Room.

The chairman has determined that the Planning Board meeting is cancelled for the month of January in order to allow Staff more preparation time for these revision recommendations. The next scheduled meeting is for Tuesday February 12, 2013 at 7:00 p.m.

During the February 12, 2013 meeting, the Planning Board will be reviewing recommendations for updating and approving revised Subdivision, Mobile Home Park, and Junkyard Ordinances to make recommendations to the Duplin County Board of Commissioners due during the March/April timeframe. The Airport Commission will be making recommendations on the Height Restriction Ordinance and the Building Inspections Department will make recommendations for Planning Board Review to the Minimum Housing Code Ordinance.

The Chairman has instructed this office to prepare and forward to each member recommendations previously discussed and new changes for discussion prior to the February meeting. End of year obligations and work load has deterred my ability to forward recommendations as was previously scheduled.

Another ally to this office will be leaving effective January 11th. Mr. Alex Rickard, GIS/Transportation Coordinator for the East Carolina Council of Government in New Bern will be leaving to accept a position at the RTP Metropolitan Planning Office. Alex has been very instrumental in the development of Comprehensive Transportation Plans throughout the Region and has especially assisted this office in its Transportation endeavors. He will be truly missed. The absence and replacement of Alex to serve as representative for some of the Duplin County interests may cause some additional absence of me in my office during the transition of his replacement.

Please contact this office for questions at (910) 296-2102.

FOR THE CHAIRMAN OF THE BOARD:

Thanking you in advance,

Randall G. Tyndall
County Planner/Section Manager
