

# Peace of mind means planning ahead.

Regardless of your age or net worth, having an estate plan is critical to the success of your overall financial strategy. After all, don't *you* want to be the one who makes the decisions about who receives your assets when you die?

We thought so. That's why LGFCU is making estate planning too affordable to pass up...

For just \$250 for individuals and \$350 for couples, volunteers can participate in **LGFCU's Estate Planning Essentials Program**, which gives you the opportunity to put the following documents in place:

- Will
- Durable Power of Attorney (POA)
- Healthcare Power of Attorney (HPOA)
- Living Will
- HIPAA Authorization

This program is limited to the network of attorneys with whom this special pricing has been negotiated. **To participate, just contact your local branch and ask to speak with a Trust Representative.**

Attorneys participating in the Estate Planning Essentials Program are not employees or agents of the Credit Union (LGFCU or SECU) or its affiliates. SECU Representatives are not employees or agents of the participating attorneys. The Credit Union is not providing legal services, and is not responsible for the services provided by these independent professionals. The Estate Planning Essentials Program is an optional program for members. Credit Union members have the option to use any attorney participating in the program or to select their own attorney.
